Don't You Want Me

Alcazar

Don't you want me baby?You were working as a waitress in a cocktail bar
When I met you, I picked you up
I shook you up, and turned you around
Turned you into someone newNow five years later on, you've got the world at your feet
Success has been so easy for you
But don't forget, it's me who put you where you are now
And I can put you back down tooDon't, don't you want me?
You know I can't believe it
When I hear that you won't see meDon't, don't you want me?
You know I don't believe you
When you say that you don't need meIt's much too late to find
You think you've changed your mind
You better change it back
Or we will both be sorryDon't you want me, baby?
Don't you want me, ohh
Don't you want me, baby?
Don't you want me, ohhI was working as a waitress in a cocktail bar
That much is true
But even then I knew I'd find a much better place
Either with or without youThe five years we have had has been such good times
I still love you
But now I think it's time I live my life on my own
I guess it's just what I must doDon't, don't you want me?
You know I can't believe it
When I hear that you won't see meDon't, don't you want me?
You know I don't believe you
When you say that you don't need meIt's much too late to find
You think you've changed your mind
You better change it back
Or we will both be sorryDon't you want me baby?
Don't you want me, ohh
Don't you want me baby?
Don't you want me, ohhDon't you want me baby?
Don't you want me, ohh
