

# Do You Believe In Love

Huey Lewis

I was walking down a one way street  
Just a looking for someone to meet  
One woman who was looking for a man  
Now I'm hoping that the feeling is right  
And I'm wondering if you'll stay for the night  
So I'm coming (i don't want to be lonely)  
I want to love you all over[Chorus]  
Do you believe in love  
Do you believe it' true  
Do you believe in love  
Oh you can bet I believe it too Now the feeling is beginning to grow  
And the meaning is something you only know  
If you believe it take my hand and I'll take your heart  
Now I'm wondering where does true love begin  
I'm going under so I'm lettin' you in  
My woman (i don't want to be lonely)  
I want to love you all over[Chorus] I use to have you in a photograph  
(I'm so glad it's changed)  
But now I've got you and it's gonna last  
(Do you believe in love)[Chorus]
