Non Angelical

Anggun

It's certainly deceiving
Cause love has fooled you once again
You can't believe in
That she's walking over you
If she's amazing
Why can't she be true to you
What she hides she denies
But you'll never question why
C/o
She's so hypocritical
She talks illogical
She's irrational
Non angelical
She's so unsensual
Lives for the physical
She's so cynical
Non angelical
I see your eyes rolling
You don't believe a word I say
Hurt you until you're bleeding
She's locked your life away
No more forgiving
Don't let her fool you once again
Set your heart stone cold
Wake up, back in control

She's so hypocritical
She talks illogical
She's irrational
Non angelical
She's so unsensual
Lives for the physical
She's so cynical
Non angelical
Angelical
Non angelical
Angelical
Non angelical
She's so hypocritical

She talks illogical
She's irrational
Non angelical
She's so unsensual
Lives for the physica
L she's so cynical
Non angelical
She's so hypocritical
She's irrational
She's so unsensual
She's so cynical
Non angelical
