

Spaceman (Live In New York City July 17, 2010)

Dave Matthews Band

Probably get it wrong much as I get it right
But I got it right woman when I caught your eye
I remember most about that night
Is I love the way you move baby
Yes I love the way you move baby I like most liquor, but I don't like gin
Dont always like the skin I'm in
But when I get it wrong gotta start again
But I love the way you love me, baby
And I love the way you move
I love the way you move (Chorus)
All the freaks are on parade
I wanna fill my belly, so I gotta get paid
Doesn't everybody deserve to have the good life?
But it don't always work out
Cry cry baby, if we must
Just remember, Oh remember
I love the way you love me, baby
And I love the way you move I'm not all bad, but I'm a faithful sinner
I might get lost, but I'll be home for dinner
If God don't like me, he can send me to hell
But I love the way you love me, girl
I love the way you move I pray to heaven to keep my place
But I looked in the mirror, saw the devil's face
And Id be a dog for a tail to chase
But I love the way you kiss me baby
I love the way you talk, baby
you move, I love the way you move but (Chorus)
All the freaks are on parade
I wanna fill my belly, so I gotta get paid
Doesn't everybody deserve to have the good life?
But it don't always work out
Cry cry baby, if we must
But Just remember, just remember
I love the way you move me
Oh yea I love the way you love me, baby (Jam) Bad days come when the good day's gone
Working as hard as the day is long
And a working man works
when I get home
I love the way you talk baby

I love the way you talk baby(Chorus)
All the freaks are on parade
I wanna fill my belly, so I gotta get paid
Doesn't everybody deserve to have a good life?
But it don't always work out
Cry cry baby, if we must
But, Oh remember, Oh remember
All the people are on parade
thought I saw a spaceman tryna get laid
Doesn't everybody deserve to have the good life?
And it don't always work out
Cry cry baby, if we must
Oh remember, Just remember I love the way you love me baby.
I love the way you move.
