Groovy Day

Thomas Helmig

I can feel the energy of satellite
with my mind????
satellite
I can walk forever
in the country side
sleep at night
it's all rightOn a groovy day
Groovy day
In a groovy way
Groovy wayI don't have to worry about politics
bunch of tricks
politics
'cause I can feel love from a satellite
it's all right
satellite
On a groovy day
Groovy day
In a groovy way
Groovy way??? narrow mind to wonder
into open spaces that I choose
I don't mind the lightening and the thunder
How can I loose
How can I looseI can have a friendship that will never stop
quite a job
.....
we can feel love from a satellite
feels all right
satellite
On a groovy day
Groovy day
In a groovy way
Groovy wayAnd I'm on my way
Feeling groovy
Yes, I'm feeling groovy
On a groovy day
