

Intension

Tool

Pure as we begin
Pure as we come in
Pure as we begin
Ruled by will alonePure as we begin
Here we have a stone
Gather, place, erase so
Shelter turns to homePure as we begin
Here we have a stone
Throw to stay the stranger
Swore to crush his bonesRuled by will aloneSpark becomes a flame
Flame becomes a fire
Light the way or warm this
Home we occupySpark becomes a flame
Flame becomes a fire
Forge a blade to slay the stranger
Take whatever we desireMoved by will alone
Pure as we beginPure as we begin
Move by will alone
Leave as we come in
Pure as light, return to oneMove by will alone
Move by will alone
