

Turn Your Back on Love

I Blame Coco

I will not become hostile to the world that we live in
i will not be done till
yet here i am for the killing
and the sacrifice
is on my hands Turn your back on love
you turn your back on me
don't turn your back on love. So don't forget these times
i'll know i'll find you in the back of my mind
i wont forget these times
I'm gunna get you if i try Turn your back on love
you turn your back on me and we've fallen from disgrace
and i am proud
and we embodied our own ways
when you walked out
and these fingers
they never linger on
and now i'm laughing at my laces tied
and your walking your eight thousand miles. Turn your back on love
you turn your back on me
you turn your back on love
you turn your back on me and with your body of lies
and just to my surprise
you turn your back on love so don't forget these times
i'll know i'll find you in the back of my mind
if you forget these times
i'm gunna get you if i try so don't forget these times
i'll know i'll find you in the back of my mind
if you forget these times
i'm gunna get you if i try turn your back on love
you turn your back on me you turn your back on me you turn your back on me so don't forget these times
i'll know i'll find you in the back of my mind
or you forget these times
i'm gunna get you if i try so don't forget these times
i'll know i'll find you in the back of my mind
or you forget these times
i'm gunna get you if i try you turn your back on love
you turn your back on me.
