This is what happens when you fuck a stranger in the ass!

[Verse]

Stick my hands down my pants

Started feelin' somethin' came from nothin'

Holiday in France let me climb into your Christmas stocking

Baby wanna bite on your nipples, Satan is the answer

Take my little quiz, baby (I'll suck your cock for a thousand dollars)

[Chorus]

What's up motherfucker, yeah I'd fuck her who's the sucker

Get up little brother, do ya really love your mother

Satan is the answer, do ya wanna die of cancer

Slippin' in my (I'll suck your cock) jizz, baby (fuckin' loser)

[Interlude]

Fuck a stranger in the ass!

[Chorus]

What's up motherfucker, yeah I'd fuck her who's the sucker

Get up little brother, do ya really love your mother

Satan is the answer, do ya wanna die of cancer

Slippin' in my jizz, baby (aw yeah)

[Verse]

Put my hand up her skirt while I chase tequila with a squirt

Suckin' on my tits while she's cummin' on my greasy lips

Do you wanna bite on my dong, suckin' on my shlong, sippin' on my jizz baby

[Chorus]

What's up motherfucker, yeah I'd fuck her who's the sucker

Get up little brother, do ya really love your mother

Satan is the answer, do ya wanna die of cancer

Slippin' in my jizz, baby
