Falling From The Tree

Levellers

Well, I fell down from the tree of life
Hit the branches on the way
Yeah, way down to the root
Found what's been bothering meAnd I'll tell you
If you can hear above the din
That I just can't get back
To where I've beenAnd if I ever found
All that I wanted
I've traveled the world
All the way 'roundIf you ever gave me
All I ever wanted
I'd travel the world
All the way 'round'Cause I just can't get back to where I've been
Well, I just can't get back to where I've been
Well, I just can't get back to where I've been
No, I just can't get back to where I've been'Cause I know a place
And I want to be there
I read it in the poems
On the way downThere it lies
The unchecked country
Far beyond
Spectacle of plains'Cause I just can't get back to where I've been
Well, I just can't get back to where I've been
Well, I just can't get back to where I've been
Well, I just can't get back to where I've beenWell, I fell down from the tree of life
Hit the branches on the way
Yeah, way down to the root
Found what's been bothering meAnd I'll tell you
If you can hear above the din
No, I just can't get back
To where I've been
No, I just can't get back
To where I've been'Cause I know a place
And I want to be there
I read it in the poems
on the way downThere it lies
The unchecked country
Far beyond
Spectacle of plains'Cause I fell down from the tree of life

Hit the branches on the way
Yeah, way down to the root
Found what's been bothering meAnd I'll tell you
If you can hear above the din
No, I just can't get back
To where I've beenNo, I just can't get back to where I've been
No, I just can't get back to where I've been
No, I just can't get back to where I've been
No, I just can't get back to where I've beenIf I ever found
All that I wanted
Be a beautiful dream
This is a beautiful dream
These are beautiful dreams
