

# Carry Me

## Dead By April

am still alone, turn into stone,  
Where did you go, what did you find?  
Where did all this come to an end?

Carry me, embrace me,  
What all we now lose,  
This is not true  
Carry me

Do you see me, do you see me?  
As I see you, so many tears in me have fallen  
so many steps, I have been crawling

Carry me, embrace me,  
What all we now lose,  
This is not true  
I am falling, falling  
I am falling, falling  
I am falling, falling  
(I am falling)  
I am falling, falling

(I have a pain of this, I am falling and I can't hear the truth,  
I'm in distrust, you are in my dreams and I just can't hear the truth)

Carry me, embrace me,  
What all we now lose,  
This is not true  
I am falling, falling  
(I am falling, and I can't hear the truth)  
I am falling, falling  
(I'm in distrust, you are in my dreams and I just can't hear the truth)  
I am falling, falling  
I am falling
