Beam Me Up

P!nk

There's a whole 'nother conversation going on
In a parallel universe.
Where nothing breaks and nothing hurts.
There's a waltz playing frozen in time
Blades of grass on tiny bare feet
I look at you and you're looking at me.

Could you beam me up,
Give me a minute, I don't know what I'd say in it
I'd probably just stare, happy just to be there, holding your face
Beam me up,
Let me be lighter, I'm tired of being a fighter,
I think, a minute's enough,
Just beam me up.

Some black birds soaring in the sky,
Barely a breath like our one last sigh
Tell me that was you, saying goodbye,
There are times I feel the shiver and cold,
It only happens when I'm on my own,
That's how you tell me, I'm not alone

Could you beam me up,
Give me a minute, I don't know what I'd say in it
I'd probably just stare, happy just to be there, holding your face
Beam me up,
Let me be lighter, I'm tired of being a fighter,
I think, a minute's enough,
Just beam me up.

In my head, I see your baby blues
I hear your voice and I, I break in two and now there's
One of me, with you

So when I need you can I send you a sign
I'll burn a candle and turn off the lights
I'll pick a star and watch you shine

Just beam me up,
Give me a minute, I don't know what I'd say in it

I'd probably just stare, happy just to be there, holding your face
Beam me up,
Let me be lighter, I'm tired of being a fighter,
I think, a minute's enough,
Beam me up
Beam me up
Beam me up
Could you beam me up.
