Every Day

[Rascal Flatts](#)

You could have bowed out gracefully
But you didn't
You knew enough to know to leave well enough alone
But you wouldn't
I drive myself crazy trying to stay out of my own way
The messes that i made
But my secrets are so safe
The only one who gets me
Yeah, you get me
It's amazing to me

How every day
every day
every day
You save my life

I come around all broken down and crowded out
And you're comfort
Sometimes the place I go is so deep and dark and desperate
I don't know
I don't know

How every day
every day
every day
You save my life

Sometimes I swear I don't know if I am coming or going
But you always say something without even knowing
That I am hanging onto your words with all my might
And it's alright
Yeah I am alright
For one more night
Every day

Every day
Every day
Every Every Every day
You save me
You save me oh oh oh oh

Na na na na na na-ah
Every day
Every day

Every day
You save my life
