Laibach

There are crowds in the streets
They are crying to be heard
There are crowds in the streets
They are crying to be heard
I hear echoes of voices
I hear echoes of voicesThey are trying so hard
But the ears are kept shut
Trying so hard
But the ears are kept shut
Trying so hard
But the ears are kept shutI see millions of hands
They are raised to the sky
I see millions of hands
They are raised to the sky
I see visions of outrage
I see visions of outrageThey are trying so hard
But the eyes are kept shut
Trying so hard
But the eyes are kept shut
Trying so hard
But the eyes are kept shutEurope is falling apart
Europe is falling apart
Europe is falling apart
Europe is falling apart
Europe is falling apartIn the absence of war
We are questioning peace
In the absence of God
We all pray to police
Oceans of people
Oceans of souls
Oceans of people
Oceans of soulsThey are trying so hard
But the minds are kept shut
Trying so hard
But the minds are kept shut
Trying so hard
But the minds are kept shutEurope is falling apart
