Gettin It In

Dru

Baby girl your body's callin,
Really like the way you put it,
down down down down down,
HeyThe way you move is so hypnotizing
The way you got that booty movin,
round round round round roundYou got my engine revving
Its time to get this started
oooh baby, we can make this happen now
Like a Porsche 911, see the green light girl your ready
Ready to take off, OhhLong as we stay party rockin
This night don't have to end
We can go to my house in the hills girl
We be gettin it in, we be gettin it inLong as we stay party rockin
This night don't have to end
We can go to my house in the hills girl
We be gettin it in, we be gettin it ineh eh eh ohhhh ooo oh
we be gettin it in, we be gettin it ineh eh eh ohhhh ooo oh
we be gettin it in, we be gettin it inNow we up on the dance floor
Wilin out as the DJ breaks it
down down down down downThen we back in the VIP
Shorty said that she wanna mess
Around round round round round
ohhYou got my engine revving
Its time to get this started
oooh baby, we can make this happen now
Like a Porsche 911, see the green light girl your ready
Ready to take off, OhhLong as we stay party rockin
This night don't have to end
We can go to my house in the hills girl
We be gettin it in, we be gettin it inLong as we stay party rockin
This night don't have to end
We can go to my house in the hills girl
We be gettin it in, we be gettin it ineh eh eh ohhhh ooo oh

We can go to my house in the hills girl
We be gettin it in, we be gettin it ineh eh eh ohhhh ooo oh
