

# So Into You (London, England 1978)

## Atlanta Rhythm Section

When you walked into the room  
There was voodoo in the vibes  
I was captured by your style  
But I could not catch your eyes  
Now, I stand here helplessly  
Hoping you'll get into me I am so into you  
I can't think of nothing else  
I am so into you  
I can't think of nothing else  
Thinking how it's gonna be  
Whenever I get you next to me It's gonna be good, don't you know  
From your head to your toe  
Me into you, you into me, me into you When you walked into the room  
There was voodoo in the vibes  
I was captured by your style  
But I could not catch your eyes  
Now, I stand here helplessly  
Hoping you'll get into me I am so into you  
I can't get to nothing else  
I am so into you, baby  
I can't get to nothing else, no, no, no, no Come on baby, I'm so into you  
Love all the things you do  
Listen baby, drivin' me crazy  
Love all the things you do
