

# Lauren Lorraine

## Summer Fiction

She parted the sea  
cut the sky up above  
and watched it start to rain  
Show me everything that you love  
that is good and take away my pain  
Oh, sleep in your bed  
restin' your head  
lovin' you sweetly  
Oh, Lauren Lorraine  
Lauren Lorraine  
(?)

I dreamt of you before I met you  
I know heaven sent you my way  
God created light out of darkness  
and decided to call it day  
Oh, sleep in your bed  
restin' your head  
why is love fleeting  
Oh, Lauren Lorraine  
Lauren Lorraine  
(?)

Temptation led me here I know  
I hold you high above the father, the son, and the holy ghost  
She parted the sea  
touched the sky up above  
and it starts to rain  
SHow me everything that you love that is good  
and take away my pain  
Oh, Lauren Lorraine  
Lauren Lorraine  
(?)  
Oh, Lauren Lorraine  
Lauren Lorraine  
(?)  
Oh, Lauren Lorraine  
Lauren Lorraine  
(?)  
Oh, Lauren Lorraine
