## Van Morrison

She come 'round here 'bout midnight  
She come 'round here 'bout midnight Make me feel so good  
Every night about midnight  
Come around  
Make me feel alright Walking down the street  
She knock on my door  
Walking down the street  
She knock on my door Come in my room, room  
Make me feel so good  
[Incomprehensible] woman do Well, why did you make me feel alright?  
She's a natural born woman  
Natural born soul sender Natural born woman
