

Back In The Picture

The Rasmus

There were times in life I was on my knees,
Now its over,
Deep inside my heart I know
Simply put I've been stabbed in the back ever since I remember,
But deep in side it hurt to let go

[Chorus:]
Back in the picture
Back in the picture
I wonder what took so long, so long
Back in the picture
Back in the picture
I wonder what took so long, so long

Dedicate everything I create to my friends I would die for,
But you will always be the one,
Memories that you can't overrun,
Memories I could die for,
I thought I'd always be on the run

[Chorus]

There were times in life I was on my knees,
Now its over,
Deep inside my heart I know

[Chorus]

So long
So long
So long...
