Empty

Combichrist

Say nothing...
Empty promises...
Wreckage...
Unforgiven...
For all...FOR THEIR EYESKILL.ME.
SPARE.ME.
KILL.ME.
FEAR.MEI'm so sick of this...
Swinging the hammer...
Seeing too much...
I don't think I'll...
Get through...
Empty.LIE TO ME(x2)KILL.ME.
SPARE.ME.
KILL.ME.
FEAR.MESo far gone...
Harvest the bad dreams...
bury them...KILL.ME.
SPARE.ME.
KILL.ME.
