

# Jesus, Light Of The World

## Third Day (Holiday)

The most beautiful night of the year  
All the stars light up the sky  
And the city is sparkling with silver and gold  
From a million points of light A reflection of something that's deeper within  
Just a flicker of something more Jesus, Light of the world  
Shine through the darkness, bright as the day  
Jesus, Light of the world  
Shine in our hearts, show us the way tonight Who is this Child in a manger?  
Kings bow down and angels sing  
The Lord of the Universe  
Has come here to save us, a precious offering All the heavens above and the earth below  
Are filled with the light of Your love Jesus, Light of the world  
Shine through the darkness, bright as the day  
Jesus, Light of the world  
Shine in our hearts, show us the way tonight Jesus, Light of the world  
Shine through the darkness, bright as the day  
Jesus, Light of the world  
Shine in our hearts, show us the way Jesus, shine, shine  
Show us the way, light of the world  
Shine in our hearts, show us the way tonight  
Ohh, show us the way tonight  
Show us the way tonight
