

The One And Only

Powerman 5000

Yeah, yeah
The one and only
Yeah, yeah
The only one
Yeah, yeah
The one and only
Yeah, yeah
To burn the sun
Everybody this is it
The one and only
Megatronic super villainous
It seems so simple
You can't survive
Think it over
Realize it's all the time you've got
Everybody, can you see
The one and only
One and only, one and only me
Yeah, yeah
The one and only
Yeah, yeah
The only one
Yeah, yeah
The one and only
Yeah, yeah
To burn the sun
Everybody gather 'round
Pick yourself and your feet
From off the ground and sink into the system
To find a world without an end
You come around and back again
To sing the song of truth one last time
It seems so simple, seems so right
But it's mostly just a lie
Am I the only one that knows what this means
Yeah, yeah
The one and only
Yeah, yeah
The only one

Yeah, yeah
The one and only
Yeah, yeah
To burn the sun
Yeah, yeah
The one and only
Yeah, yeah
The only one
Yeah, yeah
The one and only
Yeah, yeah
To burn the sun
Forbidden planet
Forbidden hope
Electric God's a machine or a rope
Earth needs a killer
To burn the sun
Automatically adopted as the one
Everybody understand
I speak the truth
'Cause I lie more than any man
Expend expendable
You'll never last
Destroy the now
'Cause it's here and it's going fast
Yeah, yeah
The one and only
Yeah, yeah
The only one
Yeah, yeah
The one and only
Yeah, yeah
To burn the sun around
