

Cat Man

Together Pangea

He's the cat man
He's the taker of life
He's a bad man
He's got oceans for eyes Say that he's a winner
Nobody can look away Say that he's a winner
Nobody can look away Cat man
He's says that nothings' for free
He's got an 8 inch claw
and he spreads like disease He's the cat man
He's the taker of life
He's a bad man
He's got oceans for eyes Say that he's a winner
Nobody can look away Say that he's a winner
Nobody can look away
Away
