

# When It Comes to Us

## The Asteroids Galaxy Tour

Days turning up when it comes to us  
He is come and get you when you had enough  
You are gonna drop when it comes to us  
But we do it again  
Go and when it comes to us  
Way we dress  
Believe it or not  
When it comes to us  
Will do it again  
Love how we do  
Is making it blue  
Is making it thrill  
But I will die die die  
For no one else  
First sight when it comes to us  
But he shut your right  
We can't do anything right  
When it comes to us  
But we do it again  
What we had is lost when it comes to us  
Let's do it again  
We come a long way  
We came here to stay  
Is making it thrill  
But I will die die die  
For no one else
