The Best to Me

Bj McKelvie

Sheâ€™s got a way of making me crazy
The way that sheâ€™s always changing her mind
It never fails when Iâ€™m in hurry
Sheâ€™s takin her time

She speaks her mind on any occasion
She tells me she hates the way that I drive
At night when Iâ€™m tired,
She wants conversation.
But I donâ€™t mind

(chorus)
Cuz everything about that girl
Does it for me, God she does it for me
And she gets under my skin sometimes
But thatâ€™s where I want her God I want her to be
Thereâ€™s nothing Iâ€™d ever change about her
Heaven knows I couldnâ€™t make it without her
She everything I need
You gave the best to me

He gave the best to me, yeah!

Iâ€™m set in my ways she spur of the moment
Iâ€™m Sunday morning sheâ€™s Saturday night
Sometimes her emotions ya they come without warning
But thatâ€™s alright...

(chorus)
Cuz everything about that girl
Does it for me, God she does it for me
And she gets under my skin sometimes
But thatâ€™s where I want her God I want her to be
Thereâ€™s nothing Iâ€™d ever change about her
Heaven knows I couldnâ€™t make it without her
She everything I need
You gave the best to me.

Thatâ€™s how you know people are so different

Thatâ€™s how you know it must be heaven sent

(bridge)

(chorus)
Cuz everything about that girl
Does it for me, God she does it for me
And she gets under my skin sometimes
But thatâ€™s where I want her God I want her to be
Thereâ€™s nothing Iâ€™d ever change about her
Heaven knows I couldnâ€™t make it without her
She everything I need
You gave the best to me. (x3)
