

Can't You See

The Impressions

Can't you see
That I still love you
By the way I act when your near
Woah-oh-oh though you hurt me
And don't deserve me Yet I
Still love you dearly
And can't you see
My heart is longing
For a kiss from you, so sweet
I'm so lost, and so lonely, lonely, lonely
And sometimes
You haunt my sleep
I'm a ship that's tossed and driven
Under a thundering cloud above
But, some day I'm gonna drop my anchor
In the harbours of your love,
And we'll go sailing, just keep on sailing
Sailing, sailing, on the breakers of our love And can't you see
That I still love you
By the way I act when your near
Woah-oh-oh though you've hurt me
And don't deserve me, you don't deserve me
Yet I
Still love you dearly
And can't you see
That I still love ya, I still love ya
Can't you see
That I still love ya, I still love ya
Can't you see
