Lucky Day (Space Mix)

Thompson Twins

There's a wolf in a suitcase knocking on my front door
well I gave him the money and now he's asking for more
If only you'd tell me I'm not what you're looking for
So I turn on the TV and the world is preparing for warHey Hey, Hey Hey, your lucky day
Hey Hey, Hey Hey, your lucky dayWell I'd like to find another way 'cross town
Now that London Bridge has fallen down
Karma commandos have finally made the news
everybody's got a point of viewHey Hey, Hey Hey, your lucky day
Hey Hey, Hey Hey, it's your lucky day
Hey Hey, Hey Hey, your lucky day
Everybody's preparing for your lucky dayWell I like to sit and think, lie in bed
Machines are flying 'round above my head
The world is shooting monkey's into space
but they've still got sad expressions on their faceHey Hey, Hey Hey, your lucky day
Hey Hey, Hey Hey, it's your lucky day
Hey Hey, Hey Hey, your lucky day
Everybody's preparing for your lucky day
Hey Hey, Hey Hey, it's your lucky day
Hey Hey, Hey Hey, it's your lucky day
Hey Hey, Hey Hey, it's your lucky day
Everybody's preparing for your lucky day
