

# Final Destination

## Michael Learns to Rock

I believe in the world  
When I see the beauty in a girl like you  
And I believe that all my dreams of yesterday  
Are one touch away[Chorus]  
want to be your final destination (I want to be your town)  
want to be the station where you jump off the train  
Let's make a story about you and me  
This love is meant to be I believe that life  
Is giving back to you what you sacrifice  
All the tears I cry disappear with the love I see  
Right next to me[Chorus]
