

It's Good to Be Here

Michelle Williams

What's up yo
We gon' do the Chicago style
Yo Michelle, you ready?
We gon' testify a little bit
Get the mic
Get the mic
Get the mic
Ooh whoa Just another day's journey
And I'm glad about it
I got my health and my strenght
I can shout about it
Somebody didn't make it
They can't testify the day
That's why I'm so grateful
And I'm mighty glad to say It's good to be here - Mmm... humm...
It's good to be here - So good
It's good to be here - Yes it is
It's good to be here - I'm so grateful
It's good to be here (it's good) - Uh huh
It's good to be here (good) - So good
It's good to be here (good) - Oh oh
It's good to be here Wait a minute
Take your time Got the love of my family
And all of my friends
Won't take them for granted
I'll always treasure them
See tomorrow is not promised
Enjoy life today
And always remember
To be thankful and say It's good to be here - It's good to be here
It's good to be here - Good to see another day
It's good to be here
It's good to be here - So thankful
It's good to be here (good) - So grateful
It's good to be here (good) - So good to be here
It's good to be here (good) - So good to be here
It's good to be here - I'm so happy
It's good to be here - Overjoyed
It's good to be here - To be here

It's good to be here - Oh oh oh
It's good to be here - I'll always remember
It's good to be here (good) - To be thankful and say
It's good to be here (good) - He-ey...
It's good to be here (good) - So good to be here
It's good to be here - Got a smile on my face Giving honor to God
Who's the head of my life
So good to be here
So good to be here
I wanna thank Him for the good, the bad (it's good)
The happy, the stress (it's good)
The ups, the downs (good)
The laughs, the frowns
Feels so good It's good to be here (good)
It's good to be here (good) - It feels so good
It's good to be here (good)
It's good to be here - It feels so good
It's good to be here (good)
It's good to be here (good) - To see another day
It's good to be here (good)
It's good to be here - I could have been dead It's good to be here (good) - Uh huh
It's good to be here (good) - Should have been gone
It's good to be here (good)
It's good to be here - But you kept me here
It's good to be here (good)
It's good to be here (good) - a little while long
It's good to be here (good)
It's good to be here I got all my girlfriends - It's good to be here (good)
And all my guyfriends - It's good to be here (good)
And all my cousins - It's good to be here (good)
It's good to be here
Got all my family - It's good to be here (good)
And my girls DC - It's good to be here (good)
So good, so good to be here - It's good to be here (good)
It's good to be here It's good to be here (good) - So... oh oh oh
It's good to be here (good)
It's good to be here (good)
It's good to be here
It's good to be here (good) - So glad that I'm here
It's good to be here (good) - It's good to be here
It's good to be here (good) - It's good to be here
It's good to be here It's good to be here
