

Dare You To Move

Switchfoot

Welcome to the planet
Welcome to existence
Everyone's here
Everyone's here

Everybody's watching you now
Everybody waits for you now
What happens next?
What happens next?

(Chorus)
I dare you to move
I dare you to move
I dare you to lift yourself off up the floor
I dare you to move
I dare you to move
Like today never happened
Today never happened, before...

Welcome to the fallout
Welcome to resistance
The tension is here
The tension is here
Between who you are and who you could be
Between how it is and how it should be

(Chorus)
Yeah, I dare you to move
I dare you to move
I dare you to lift yourself off up the floor
I dare you to move
I dare you to move
Like today never happened
Today never happened...

Maybe redemption has stories to tell
Maybe forgiveness is right where you fell
Where can you run to escape from yourself?
Where you gonna go?
Where you gonna go?

Salvation is here...

(Chorus)

I dare you to move

I dare you to move

I dare you to lift yourself, to lift yourself up off the floor

I dare you to move

I dare you to move

Like today never happened

Today never happened

Today never happened

Today never happened before...
