

Cry

The Used

You'll never know what it feels like til you're there. When love changes,
Faces appear from nowhere. Where beautiful, lovely is ugly or alone. You
Need me back bad, just can't be on your own.

Love is not a battle, it's a ticking time bomb.
Love is not a battle, it's a ticking time bomb.

I'm gonna let you bleed for a little bit. I'm gonna make you beg just for
Making me cry. I'm gonna make you wish you never said goodbye.

Now your life is broken, revolves around love. No love of yourself but the
Love you have lost. We said desperation is lonely despair. You don't love
Yourself, you've got no love to share.

Love is not a battle, it's a ticking time bomb.
Love is not a battle, it's a ticking time bomb.

I'm gonna let you bleed for a little bit. I'm gonna make you beg just for
Making me cry. I'm gonna make you wish you never said goodbye.
I'm gonna let you bleed for a little bit. I'm gonna make you beg just for
Making me cry. I'm gonna make you wish you never said goodbye.

If you're gonna get me back you're gonna have to ask nicer than that.
If you're gonna get me back you're gonna have to ask nicer than that.

Nicer than that!
Nicer than that!
Nicer than that!
Nicer than that!

I'm gonna let you bleed for a little bit. I'm gonna make you beg just for
Making me cry. I'm gonna make you wish you never said goodbye.

If you're gonna get me back you're gonna have to ask nicer than that.
If you're gonna get me back you're gonna have to ask nicer than that.

Never say goodbye!

If you're gonna get me back you're gonna have to ask nicer than that.
