

Love U More

Sunday Girl

You can make the sun turn purple
You can make the sea turn tidal
But you know you can never make me love you more
You can turn wine into water,
Turn sadness into laughter
But you know you can never make me love you more
Let the sky fall down
Let the leaves turn brown
Still you know you can never make me love you more
Let the right words die
Let the wells run dry
Still you know you can never make me love you more
You can make dew into diamonds
Or pacify the lions
But you know you can never make me love you more
You can make me dance to order
My love...
But you know you can never make me love you more
Let the new day high
Leave the scars in sight
Still you know you can never make me love you more
Let the rain pour down,
Let the valleys drown
Still you know you can never make me love you,
No, you can never make me love you more!
You can turn wine into water,
Turn sadness into laughter
But you know you can never make me love you more
Let the sky fall down
Let the leaves turn brown
Still you know you can never make me love you more
Let the right words die
Let the wells run dry
Still you know you can never make me,
Hey, you know you could never make me,
Yeah, you know you could never make me love you more!
