Stuff Up the Cracks

The Mothers of Invention

If you decide to leave me, it's all over
If you decide to leave me, it's all over
I tried to make you happy
I gave you all my love
There's nothing left for me to do but cryIf you decide to leave me, it's all over
If you decide to leave me, it's all over
I tried to make you happy
I gave you all my love
There's nothing left for me to do but cryOoo, oo-ooo, ooo, oo-ooo, ooo, oo-ooo
Stuff up the cracks, turn on the gas
I'm gonna take my life
Sss--stuff it!If you decide to leave me, it's all over
If you decide to leave me, it's all over
I tried to make you happy
I gave you all my love
There's nothing left for me to do but cry
