[Verse 2]See her again at All Star weekend
she didnt have tickets
and she ain't into hoopers
she was there to kick it
with her roommate
who was a video vixen
spend so much on outfits
she's about to get evicted
said "I'm married to this rap shit,
looking for a mistress"
you can be by my side
like flavor and deelicious
long as you ain't scared of the kitchen and the dishes
she said "you one of them fishes, I know your mind switches", and..

[Chorus]Oo..we you break my heart,
but I'll be there beside you
(she said "don't break my heart")

[Verse 3]Time revolve
we fell in love as crazy as Nas and them
broads were textin
cuz I stop calling them
I met the parents
watch the game with her father and
questions of marriage
and I start dodging them
what happen to me
happens to lots of men
get deep in love
and then your needing some oxygen
as far as wives I was thinking like Solomon
she said "there you go, breakin my heart again!"
[Chorus]Oo..we you break my heart,
but I'll be there beside you
(she said "don't break my heart")
