

Secret Heart

[Katey Sagal](#)

Secret heart, what are you made of?

What are you so afraid of?

Could it be three simple words

Or the fear of being overheard?

What's wrong?

Let him in on your secret heart

Secret heart, why so mysterious?

Why so sacred, why so serious?

Maybe you're just acting tough

Maybe you're just not man enough

What's wrong?

Let him in on your secret heart

The very secret

That you're trying to conceal

Is the very same one

That you're dying to reveal

Go tell him how, how you feel

Secret heart come out and share it

This loneliness, few can bear

Maybe you're just acting tough

Maybe you're just not man enough

What's wrong?

Let him in on your secret heart

The very secret

That you're trying to conceal

Is the very same one

That you're dying to reveal

Go tell him how, how you feel hesitant

Let him in on your secret

Let him in on your secret

Secret heart, your secret heart
