Born Victorious

Israel Strong

Oh Oh Oh Oh
Daily Iâ€™m renewed by Godâ€™s word and I am strengthened
Daily life is beautiful for me
Daily I succeed in every circumstance
And in the name of Jesus I always win
Though challenges come but they canâ€™t weigh me down
I donâ€™t give up, Iâ€™m from above
For the greater one lives inside of me, I am born of God
Challenges come but they canâ€™t weigh me down
I donâ€™t give up, Iâ€™m from above
Yes the greater one lives inside of me
I am born of God

Chorus
When thereâ€™s a casting down I am lifted up
Far above principalities I was born victorious
When thereâ€™s a casting down I am lifted up
Far above principalities I was born victorious
Oh victorious oh oh oh victorious
Yeah yeah yeah victorious, victorious everyday
Oh victorious oh oh oh victorious
Yeah yeah yeah victorious, victorious everyday

Verse 2
Daily I am blessed with the blessings of Lord
And daily I enjoy my life
Though challenges come but they canâ€™t weigh me down
I donâ€™t give up, Iâ€™m from above
For the greater one lives inside of me, I am born of God
Challenges come but they canâ€™t weigh me down
I donâ€™t give up, Iâ€™m from above
Yes the greater one lives inside of me
I am born of God

Back to Chorus

Bridge
Canâ€™t be defeated
I can never fail
No disadvantage

Victory is sure
I am complete in Christ
I am complete in Christ
