

# Say Say Something

## James

I met you in the dark, you lit me up  
You made me feel as though I was enough  
We danced the night away, we drank too much  
I held your hair back when  
You were throwing upThen you smiled over your shoulder  
For a minute, I was stone-cold sober  
I pulled you closer to my chest  
And you asked me to stay over  
I said, I already told ya  
I think that you should get some restI knew I loved you then  
But you'd never know  
'Cause I played it cool when I was scared of letting go  
I know I needed you  
But I never showed  
But I wanna stay with you until we're grey and old  
Just say you won't let go  
Just say you won't let goI'll wake you up with some breakfast in bed  
I'll bring you coffee with a kiss on your head  
And I'll take the kids to school  
Wave them goodbye  
And I'll thank my lucky stars for that nightWhen you looked over your shoulder  
For a minute, I forgot that I'm older  
I wanna dance with you right now  
Oh, and you look as beautiful as ever  
And I swear that everyday you'll get better  
You make me feel this way somehowI'm so in love with you  
And I hope you know  
Darling your love is more than worth its weight in gold  
We've come so far my dear  
Look how we've grown  
And I wanna stay with you until we're grey and old  
Just say you won't let go  
Just say you won't let goI wanna live with you  
Even when we're ghosts  
'Cause you were always there for me when I needed you mostI'm gonna love you till  
My lungs give out  
I promise till death we part like in our vows  
So I wrote this song for you, now everybody knows  
'Cause now it's just you and me till we're grey and old

Just say you won't let go

Just say you won't let goJust say you won't let go

Oh, just say you won't let go
