

# Rougher Than the Average

## 2 Unlimited

I'm the A, the N, the I T A  
Once you're with me, you'll always wanna stay  
'Cause I'll make you feel good, never blue  
To put it simple, I'm a dream come true Please baby, ya gotta let me go  
Of course ya wanna stay, ha, I know  
But time is precious, time is money  
I'm rougher than the average remember that, honey I live my life, do not interfere  
Always tough, shed no tear  
Bass in your face, the electric bomb  
Don't just stand there, come on, come on The contrast mega blast are for ever last  
I'll put you down in a microphone contest  
2 Unlimited put you to the test  
Rougher than the average, yeah, we're the best Rougher than the average, honey  
Remember that, honey Most guys I love, some guys I hate  
'Cause some guys underestimate  
The things I do and the things I care  
Rougher than the average is what I am Check me out while I'm coming on strong  
This is the Ray, no, never do you wrong  
Always the right girls spend the night  
Take you down as quick as dynamite Rougher than the average, yeah, that's me  
Fresh and dope as you can see  
Girl, in my room and in, out we go  
Rougher than the average, let the bass go, aah
