

# Girl from Lebanon

## Europe

Well, it's time to break out from the cage  
It's time to change your ways  
It's time to find those shattered dreams  
That vanished in the haze  
It's time to lose those concrete shoes  
They held you down too long  
'Cause troubled days have come and gone  
And the night has just begun  
Another dawn is yet to come  
Carry on my little one, yeah  
Girl from Lebanon  
Yeah, it's time to meet the changes  
They've come from all around  
It's time for you to realize  
Freedom has been found  
It's time to meet the future  
And forget about the past  
It's time to make a good thing last  
And the night has just begun  
Another dawn is yet to come  
Carry on my little one, yeah  
Girl from Lebanon, yeah  
Yeah, it's time to cut the barbwire  
And walk out on the street  
It's time that we stayed up all night  
And lose all kinds of sleep  
It's time to wear those bright blue jeans  
Let your hair hang down  
The word of peace is goin' 'round  
And the night has just begun  
Another dawn is yet to come  
Carry on my little one, yeah  
Girl from Lebanon  
And the night has just begun  
Another day has never [Incomprehensible]  
Carry on my little one, yeah  
Girl from Lebanon  
Carry on my little one, yeah  
Girl from Lebanon
