Youre Me Now

Big D and the Kids Table

not even once did i turn did i turn it hit me (damn)not even once did i turn turn it me(damn)it seems i keep waiting for something to happen, but nothing ever happens so i wait wait wait nothing
so everytime i get up i push up i move up ill get slammed down sewn down slammed down and i dont want to be held by your stiches so now im ripping up tearing out left the only standing wittness
damn whats up yeah whats up yeah damn whats up yeah whats up yeah damn whats up yeah whats up yeah damn whats up yeah
no you cant come over are you crazy why you asking no you cant come by are you crazy why you asking no you cant come by never never come by ask again ask again ask again and its still no
[chourus so your me now how does it how does it feel? your me now how does it how does it how does it feel? so your me now]
im always running right into a big wall a big wall, im always running right into a big wall a crazy wall im always running right into a crazy crazy crazy wall seeing you whoa its just like running right into a wall
[chorus]you me now so your me now so your me now comeon how does it feel how do you feel how do you feel come on how do you feel
im always running right into a big wall a big wall im always running right into a big wall a crazy wall im always running right into a crazy crazy crazy wall seeing you whoa its just like running right into a wall im always running right into a big wall a crazy wall im always running right into a crazy crazy crazy wall seeing you whoa its just like running right into a wall
your me now your me now your me now [chourus so your me now how does it how does it feel? your me now how does it how does it how does it feel? so your me now]
