

Slow Song

Charlie Daniels Band

I won't get you near me
I don't blame you
For not seeing my way
Don't you worry, girl
There's just too damn much power And I won't let it bother me
All that I had
Let's you think of me once in a while Everybody's got a dream to live long
And I've got one of mine
And I ain't got near to begin with it
So I best be movin' on And I will think of you with me
And when I do
I don't know if I'll cry or smile I will think of you with me
And when I do
I don't know if I'll cry or smile
