Say Say

Youngblood Hawke

Ladies and gentlemen
You are now tuning in to the very best
One of the most delightful of all time, sho? nuff
Jazzy Phizzle, C-Lo Green, Twista, it gets no better, baby
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say, I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
Hey, hey, you a rapper's delight
With the thick luxurious thighs
I been after yo? *** since I been *** with
Grand master flash and furious 5
When I was bumpin? Melly Mel
Before I was makin? hella mills
Sportin? Pelly Pel, you was thick as hell
All my homies in the industry will love you
When it comes to suckin? *** you lookin? like you lick it well
With a ol? school fatty make a *** wanna take it back
Will you let me hit it from the back?
When you come in the room and take it off
I?ma have to break it off to a Old School track
When I?m lookin' at the way you be shakin? yo rump
Be makin? me wanna *** you for fakin? the funk
And when yo? little gangsta *** mode take place
Make a *** wanna bump the 1st phase tape
Hey, it?s like a jungle some times
That make me wonder how I keep from goin? under
And I wanna be yo? lover, but I gotta wear a rubber
Though the booty so soft when she tell me take it off
I say ha, ha, ha, Twista roll with the trappers tonight
You got the type of body actors will like

With a *** so fat and *** so big, ***, girl you a rapper's delight
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say, I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say, I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
What's up, what?s happenin??
Girl, I got your ticket, let's do some travelin'
We'll leave from the A town and when we touch down
Ooh, girl air is startin? to feel a little breezier
On second thought maybe you should just bring your fur, word
Your looks, you fly, my swag, me too
My style, stay fresh, yo? bag, too cute
Are those new wings? Well, these are
Just swipe them on my visa
Let?s stop through Vegas
Spin the wheel at the palace of young Caesar
If the plane make your head hurt, here?s a aspirin
We on the ski lifts off in a spin, so what?s up, what?s happenin??
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say, I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say, I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
So what do you do besides stand around and look pretty?
Or do you get paid to do that? Aha, see, I knew that
I bet Diddy'll think you're pretty
And Mekhi Phifer gone like you, leave her alone Lebron
And oh be careful, Tyson'll bite cha
Wow, just like my new place, ooh
I am going to decorate you and I?ma be honest

Most of the women there are going to hate you
But what can you say, boo? You all in they way, boo
Brazilian wax and a facial, that?s a busy day, boo
I mean me Taye hank Zack Pha, everybody okay you
And it's your reality, I?ll get MTV to pay you
Or what a fabulous life, all in one fabulous night
House up on Sugar Hill, you a rapper's delight
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say, I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
Hey, you a trapper's delight
You an actor's delight
You a rapper's delight
Hey, say, I got to have you, mama
Say, say, what?s ha'nnin, mama?
Say, say, say, what?s ha'nnin, mama?
