You'll Always Be My Best Friend

Relient K

I wish I knew you
Way back when
Before you were part of my plans
I think that we would have been friends

There's only time to live our lives
And you'll be the one who's by my side
And I can promise you then
You'll always be my best friend

Till the end when we part
I will give you my heart
And I'll promise to love you with all that it is
And I'll promise to be there whenever you need me
Because you'll always be my best friend

You'll always be my best friend [x5]
