

Seventeen

Nicole

You know
I don't know what's up with this cat
But I know
I know he's gonna be mine Yes I'm the supa dupa, I'm a superstar
I got a super flow that goes super far
I need a super man that's got a super tan
That can deactivate my body like the super friends Was the finest guy in school
He got the whole damn school locked
And I thought he was cute
So wanna see, I had to stop Boy how are you?
And by the way, Nicole is my name
So I slipped him my number
Showed him how us began Call me if you need someone to talk to
Call me even though I'm seventeen
Call me when you need someone to talk to
Call me, call me He was only seventeen
And I was checkin' him everyday
And he's no beginner
He made me hot like filled with me I gotta find a way
To keep all his attention to me
So I slipped him a paper told him
Hit me off at three, hey, call me Call me if you need someone to talk to
Call me even though I'm seventeen
Call me when you need someone to talk to
Call me, call me Yes I know I really want him
Yes I know I really need him
Yes I know I gotta have him
You can call me up in the evening Yes I know I really want him
Yes I know I really need him
Yes I know I gotta have him
You can call me up in the evening Call me if you need someone to talk to
Call me even though I'm seventeen
Call me when you need someone to talk to
Call me, call me Sow up this sunshine, what's yours is mine
You won't succeed without tryin', never blind
See I'm the type of female to hold on
Like deodorant I roll on and gets my flow on I'm livin' in reality, respect me
My image is not a pocket book and I won't get took
Girls get shook when they look, my style is John Blaze

So I'ma make it hot and leave somebody in a daze
Call me if you need someone to talk to

Call me even though I'm seventeen

Call me when you need someone to talk to

Call me, call me
One two, play this in your jeep

Make you move your feet

Make you move your neck

Bet that
Say what, freaky freaky rewind freaky rewind

Play this in your jeep, make you move your feet

Make you move your neck, bet that

Make you move your neck, bet that
Make you move your neck

Play this in your jeep, make you move your feet

Make you move your neck

Nigga what, nigga what ha
Nigga what, give me some

Give me some bass nigga

Turn me up, ah, call, call me

Call, call me
Misdemeanor one two

You know how I do, I make every beat

Make you move your feet

Make you move your neck bet that, ah ha
