

# Memphis

## Hannah Bethel

It's getting kinda crowded in this room  
It's funny 'cus it's only me and you  
Some kind of light is missing in your face  
But it's not gone it's only been misplaced

Maybe we should go to Memphis  
Let's talk about it  
Let's get a little bit lost  
and we'll know when we've found it  
We all need a little Graceland  
Sunshine and a second chance  
Sip some Tennessee whiskey til we understand  
We got a love that's endless  
Baby we're just restless  
Maybe we should go to Memphis

Street lights hum like old electric soul  
Let the Mississippi take us home  
You can try a little tenderness tonight  
Oh work it out until we get it right

Maybe we should go to Memphis  
Let's talk about it  
Let's get a little bit lost  
and we'll know when we've found it  
We all need a little Graceland  
Sunshine and a second chance  
Sip some Tennessee whiskey til we understand  
We got a love that's endless  
Baby we're just restless  
Maybe we should go to Memphis

Let it all go  
Baby Memphis  
I think you already know  
We need something wild and reckless  
Maybe we should go to Memphis

Maybe we should go to Memphis  
Let's talk about it

Yeah letâ€™s get a little bit lost  
and weâ€™ll know when weâ€™ve found it  
We all need a little Graceland  
Sunshine and a second chance  
Sip some Tennessee whiskey til we understand  
We got a love thatâ€™s endless  
Baby weâ€™re just restless  
Oh We got a love thatâ€™s endless  
Baby weâ€™re just restless  
Maybe we should go to Memphis  
Maybe we should go to Memphis
