Parthian Shot

Breton

What stoppin' now?
Best handle it
What's all for now?
As these things go
That's all for you
And some for someone else
Are you over it?
Are you over...You can cover up what you want
You can cover up what you are
You can cover up what you want
You can cover up what you are
You can cover up what you want
You can cover up what you are
You can cover up what you want
Cover up what you are
