

# Go Down

AC/DC

Ruby, Ruby, where you been so long  
Done took to drinkin' whiskey  
Baby since you been gone  
Ain't no one I know do it as good as you Lickin' on that lickin' stick the way you do  
You got the lips to make a strong man weak  
And a heathen pray  
Tell you ain't just the way you speak You know it's just the way you go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down Mary, Mary, you're the one for me  
And the way you hum  
Sting like a bumble bee  
I'll be around to see you 'bout half past ten Ain't felt this good  
Since I don't know when  
You got the touch that I need so much  
In your finger tips I got the honey that ya love to taste  
On those lovely lips so go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down Baby rub it on  
Why' know it's sticky and sweet  
And it's been so long  
And no else got a touch like you I let you do the things to me  
I let no other woman do  
Feels good, feels good, oh yeah  
You do it like you should I loved you so much  
Make me so glad I'm a man  
Go down, go down, go down, go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down  
Go down, go down, go down, go down  
Go down, go down, go down
