Damn Right

James Otto

You can always find me here
Raisin hell and drinkin beer
With all my good time buddies
Cuttin up and havin funYeah, the jokes can be on me
And I dont mind usually
Im an easy goin, back slappin son of a gunBut she just left me
And thats just left me undone
So you dont want to push your luck boys, not tonight
Just dont bring up her name one more timeIf you think Im in the mood to pick a fight
Youre damn rightShes gone and I admit I was wrong
But I cant quit
Thinkin about how good our love used to be
And the whiskey numbs the painBut in the morning when I wake
Ill be hungover hangin on to a memory
And Ill order one more round
Lose the Coke and keep the CrownAnd just drown my misery
And Ill blind myself with liquor and neon lights
Alone and stoned out of my mindIf you think Im flyin high as a kite
Youre damn rightNow Im just tryin to make it through
But gettin over you is a long, long road
And Im a strong man but its killin me lettin go
And Id love to say it aint but I cant lie
Yeah, pretend that I got somethin in my eyesIf you think Im gonna break down and cry
Youre damn right, youre damn right
