

Offer Your Light

Devin Townsend Project

The way that you've found in your worry your fury
The way that you've found, Its alright Offer your light to the worst that you're feeling
Offer your light to the ways that you're feeling The way that you've found in your worry your fury
The way that you've found, Its alright Offer your light to the worst that you're feeling
Offer your light to the ways that you're feeling Offer your light to the worst that your fearing
Offer your light to the ways that your feeling The way that you've found in your worry your fury
The way that you've found, Its alright Offer your light to the worst that you're feeling
Offer your light to the ways that you're feeling Offer your light to the worst that your fearing
Offer your light to the ways that your feeling You feel it? Offer light
For light
