Dawg i took a shot in the dark in an industry of sharks
That's surrounded by water - Cuba,
I can make an Einstein?s mind feel stoopa
And I can make an insecure bitch feel supa
Realest nigga eva - Kunta Kinte
Ultra - master, super - sensei
Dawg, in the ninth inning
We?re just trying to hit a homer - marge
Comprende? Hard - al dente

Only difference is, I ain?t fucking with these kids

You niggas ain?t shit - pissed - tsk tsk
2X
I does it, I I does it (Does it)
And I?m gonna make this look like nothin' (nothin')
Watch me make this look like nothin' (it's nothin')
I'm gonna make this look like nothin'

When they see me on my high horse - polo
You see what I?m wearin, I know those
Hoes'll want the same thing - homo
Elton, JoJo
Made for the block - O?Neil, Romo
You hated on the block - robo po-po
But more important-ly
The story of my life, is to get glory off of mic?s - Quincy
Remember that the F, F doesn?t stand for Fendy
Finally Famous - you are an attendee
You are labeled small - indie

And I?m expected to blow - Lindsay
And if she?s on my pipe, I will make her go down - Draino

I does it, I I does it (Does it)
And I?m gonna make this look like nothing (nothin)
Watch me make this look like nothing (its nothin)
I'm gonna make this look like nothin
