

# 6 Minutes Of Pleasure

LL Cool J

I know why you're here  
I ain't sayin' nothin' Ayyo baby I know why you're here  
I know what you're doing, I can see it in your eyes  
You're up to somethin', I know what it is  
But we're still cool and we can socialize I'm peepin' ya baby I'm holdin' back  
I'm not lettin' go 'cause a fool doesn't  
Have a shoulder to cry on, so, give me a kiss  
And you service whether you like a mister or a miss Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' Baby you're my dear I know why you're here  
I know why you came I know what you're thinkin'  
I know what you need and that's what I've got  
You think I'm goin' crazy no I'm not drinking I know what you want, I made ya want it  
Take my hand listen to the man  
You have a plan don't even risk it  
What do you want a biscuit? Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' Six minutes, six minutes  
Six minutes, six minutes Honey, I know what you're up to I know how you're livin'  
I know where you go when you leave my house  
I know what your dreams are but I dream too  
You're with a man you're not with a mouse I see how you stare I see how you smile  
I see right through now act like you knew  
I know all about where you been runnin'  
Wipe your feet before you come in Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Ayyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' Yeah, that's smooth, let's just sit here and relax

While my man plays the piano for us  
Sip somethin' mellow and it's us while you're here  
But of course I ain't sayin' nothin' Okay, now that you know I know you know  
That I know you know and that's the move so sit right here  
Whisper in my ear caress my chest  
And say somethin' smooth but don't forget I'll know what you'll say Just what I thought I know the routine  
I know the routine just what I thought  
I know you tell the truth I know you don't lie  
Ssh, close your eyes Aiyyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Aiyyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' Aiyyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin'  
Aiyyo baby I know you don't love me  
I know why you're here but I ain't sayin' nothin' I won't tell if you won't tell  
It's cool with me  
I know why you're here  
I ain't sayin' nothin' I know why you're here  
I know I ain't sayin' nothin' I know why you're here  
And I'm going nowhere girl  
I know why you're here  
I ain't sayin' nothin' I know why you're here  
I ain't sayin' nothin'  
I know you don't love me  
I know why you're here  
But I ain't sayin' nothin' I know why you're here  
I ain't sayin' nothin'  
I know you don't love me  
But I ain't sayin' nothin'  
(I know why you're here)  
I ain't sayin'
